STATEMENT:

Alaska is at a crossroads, we need fresh, new, bold solutions to pursue the future opportunities that Alaskans deserve.

As a lifelong Alaskan, I deeply value our State, the heritage of pioneers who faced insurmountable odds and the vast opportunities that lie in our future. My wife, Nadejda, and I work, volunteer, and enjoy the life that Alaska has to offer.

Fresh ideas and bold vision are desperately needed to move beyond Alaska's current problems and into a prosperous future.

I have the experience, passion, energy, patience to listen, and vision to continue what Alaska's pioneers began: a better state to live, work, and play. I want to see the daring future Alaskans deserve.

I am excited at the possibility of serving Alaskans!
